

Decorah Community School District
Emergency Closure Update
April 2, 2020

Good Afternoon,

Today, during the daily COVID-19 press conference, Governor Reynolds announced an extension of the current emergency closure through Thursday, April 30, 2020. Iowa superintendents have been invited to participate in a webinar with Dr. Ann Lebo, and the Iowa Department of Education at 4:00 pm today to learn more about potential options for continuous learning. We will review what we learn this afternoon, and you can expect further communication by tomorrow evening at 5:00 pm. I appreciate your patience in giving us time to digest the new information that comes out daily.

Thank you for your support of Decorah Schools.

Mark M. Lane, Superintendent of Schools
